Notes for Applications to close Public Rights of Ways (PRoW) / Footpaths

1. CCC strongly encourages early engagement with PRoW Officers prior to any application being submitted to close a Public Right of Way or footpath (PRoW).
2. Initial applications to close a Public Right of Way or footpath can only be granted for a maximum duration of 6 months.
3. If the applicant is aware that the closure is likely to exceed 6 months, they should indicate this on the initial application but will still need to apply for an extension using the following procedure:
4. The applicant needs to apply to Street Works at least **8 WEEKS** before the expiry date of the initial 6-month TTRO with full justification AND any alternatives that have been considered and reasons for not being able to accommodate any alternatives.
5. The applicant should use reasonable endeavours to minimise any extension duration and further extensions may be refused.

6. Applicants will be required to meet on site with our Senior Street Works Inspector and PRow Officer to discuss the reasons for the extension and justification. The site meeting must be held within 2 weeks of the extension request being submitted to Street Works and applications to the Secretary of State (SoS) will not be progressed until the meeting has been held and alternatives explored. The SoS requires a minimum of 4 weeks to consider an extension request. Any applications that do not comply with item 4. may be automatically refused.
7. All applicants should be prepared to accommodate any reasonable alternatives suggested by the Senior Street Works Inspector and PRow Officer and will be asked to justify in writing any refusal to accommodate reasonable and achievable alternatives. Additional cost to the works promoter will not be considered justification.
8. Applicants should not assume the full duration of the extension request will be granted and a reduced period may be agreed at the site meeting.
9. Applicants should not assume that extensions will be granted by CCC even if the Secretary of State (SoS) approves an extension.
10. The PRow should be reopened as soon as reasonably practicable and in a condition that is safe for all users of the PRow. In any case, it should be reopened in a safe condition, no later than the expiry date of the extension, if granted.
11. Failure to reopen a PRow on or before the expiry date of the TTRO / extension may result in CCC initiating appropriate enforcement action.
